# service plan for 1961

Tile in stock in all warehouses.

THE MOSAIC TILE COMPANY, General Offices: Zanesville, Ohio  
Pacific Coast Headquarters Offices: 131 N. Robertson Blvd., Beverly Hills, California

While the complete Mosaic line of ceramic tile offers wide choice of tile types, sizes and colors, it is frequently helpful to know which tile colors and patterns are most readily available from Mosaic warehouses in the Pacific Coast area. The glazed wall tile colors, ceramic mosaic patterns for floors, walls and countertops, Jordan-Carlyle quarry tile, All-Tile Accessories and trim shapes shown here will serve most requirements. Good service on this selection is available, through your ceramic tile contractor, from Mosaic warehouses. You are cordially invited to visit Mosaic showrooms for assistance in your selections.
